Special Quotations On Large Quantities

If you do not see the items you want, write us. We list only stock that we grow and are not sold out of. We have many items in small quantity that we do not list. Most of our stock is dug in the Fall, therefore making it possible to give good service at any time.

All shipments leave the Nursery in good condition. Any injury to boxes and bales in transit should be noted upon the freight bill before acceptance at the depot. Our responsibility ends when shipments are accepted by the carrier.

Kindly advise when ordering the method of shipment desired, otherwise we will use our best judgment in shipping the shortest and safest route. We deliver by truck within a reasonable distance.

All prices subject to prior sale and loss.
